WELCOME BACK!

We hope that everyone had a fantastic summer! We would like to welcome all new and returning students to another exciting gymnastics year.

As a reminder, please be patient during the first two weeks of classes while we organize and group all students by ability, levels and ages.

Remember that in order for us to do our job well we need both you, the parent and your children, to follow all gym rules and policies.

All of us at MTG look forward to another wonderful year with all our athletes.

If you have any questions, comments or suggestions, please feel free to contact us either by phone, email or in person.
